Competitors	You must check in at Field Events prior to their start time and be at Track Subbase areas prior to call times. If you have both a Track and Field Event on at the same time, always be at the Track Event Subbase at call time. Remember to run your fastest right through the finish line in every race.
Parents, Caregivers & Spectators	Ensure you arrive at least 20 minutes before any listed race time to help ensure you do not miss an event. Allow extra time for parking as spots can be difficult to find. Remain outside of the Track fence line at all times throughout the Meet.
